

Last updated: 02/06/2024

The following list of AWS Marketplace Channel Partners is designed to help you identify partners who are registered and authorized to resell software through AWS Marketplace Channel Partner Private Offers (CPPO). Partners are grouped based on their validated experience selling in AWS Marketplace.

- **[AWS Marketplace Skilled Channel Partners \(MSCP\)](#)** are AWS Marketplace Skilled Channel Partners with active AWS Marketplace Channel practices, and a proven track record of repeatedly delivering solutions to customers in AWS Marketplace. The list below includes their Partner Finder Profile and AWS Marketplace professional services seller page (if available). Learn more about the [MSCP Partners here](#).
- **[Active sellers](#)** are AWS Marketplace Channel Partners with AWS Marketplace transaction experience who have completed at least one sale in AWS Marketplace, and have completed all launched seller steps to resell software through AWS Marketplace Channel Partner Private Offers (CPPO).
- **[Launched sellers](#)** are registered and authorized to resell software through AWS Marketplace Channel Partner Private Offers (CPPO). Launched sellers have completed onboarding (i.e. updated public profile, Banking and Tax information), and have received at least one ISV resell authorization.

Are you interested in finding AWS Marketplace Professional Services? Some Channel Partners provide professional services related to the software they resell. You can discover software related professional service listings by searching for specific Channel Partners on AWS Marketplace or browse all professional services listings by [clicking here](#).

- For partner details and locations access the partner on the [AWS Partner Finder](#).
- Partners active in Latin America can be seen [listed here](#).
- Please contact aws-mp-channel@amazon.com for more information.
- Download an [Excel version of this list here](#).
- Do you need to [submit a correction](#) to this list?

AWS Marketplace Skilled Channel Partners (MSCP)
